COMMBANK, WHY DIG UP COAL?

To the tune of YMCA.

CommBank, There's no need to dig coal
We say, CommBank, and leave a poisonous hole
We say, CommBank, with farmers paying the toll
We must leave - it - in - the - ground
CommBank, renewable we will go
We say, CommBank, it will cost us less dough
Coal can stay there, and I'm sure we will find
Climate change re-duced just in time

Chorus

*With sun to spare we say – Why Dig Up Coal
With sun to spare we say – Why Dig Up Coal
With renewable pow'r from the wind and the sun
Enough – for everyone
With sun to spare we say – Why Dig Up Coal
With sun to spare we say – Why Dig Up Coal
You can invest in what's real, get a much better deal
How fabulous will you feel?
(Repeat from beginning)*

BYE BYE COAL

Tune of Bye Bye Love

Bye-bye Coal, Bye-bye fossil fuels
Hello renewables, Energy from the sky.
Bye-bye Coal – reduce Climate stress
Hello cleverness, Goodbye to coal g'dbye

Got thru denial, I'm thru with doubt.
Let's get together, work this thing out
And here's the reason, I feel so free
I got good people surrounding me.

Bye-bye Coal...

We light the dark now with something new
We'll still be happy (with) no fossil fuel
And here's the reason, I feel so free
I got good people surrounding me.

Bye-bye Coal...

SWITCH TO THE SUNSHINE

Tune- You Are My Sunshine

We'll use the sunshine
Mostly the sunshine
Some wave and wind pow'r
When skies are grey
Savings colossal
Without a fossil
So switch to the sunshine today

Invest in Sunshine
Insist on sunshine
Unplug that thing, skip out and play
Be an outdoor sort
On public transport
And switch to the sunshine today.

We'll use the sunshine
Mostly the sunshine
Some wave and wind pow'r
When skies are grey
Fossils are comic, Uneconomic
So switch to the sunshine today

We'll use the sunshine
Mostly the sunshine
Some wave and wind pow'r
When skies are grey
Water gets heated
Big bills defeated
So switch to the sunshine today

DIVEST YOUR SUPER

Tune- Pack up your troubles

Divest your Super from the old Coal Mine
And smile, smile, smile
Divest your Super from the old Coal Mine
'Cos fossil fuels are vile
What's the use of profiting
No future in denial ... so
Divest your super from the old Coal Mine
and smile, smile, smile!

*** Pack Up Your troubles ***

Divest yr banking from that Coal Seam Gas
And smile, smile, smile
Divest yr banking from that Coal Seam Gas
'Cos fossil fuels are vile
What's the use of mortgaging
If you're building on denial ... So
Divest yr banking from that Coal Seam Gas
And smile, smile, smile!

Invest your money with your kids in mind
And smile, smile, smile
Invest your money with your kids in mind
'Cos fossil fuels are vile
What's the use of parenting
If it's only for a while ... so,
Invest your money with your kids in mind
And smile, smile, smile!

OLD ADANI

Tune- Old MacDonald

Old Adani has no mine Thanks to you and me
And on that land are living trees
Thanks to you and me
With an email here, divestment there
Here a letter, there a sit-in, everywhere a protest
Old Adani has no mine Thanks to you and me

Other LINES:

And on that land live animals
And on that land the water flows
And on the land no poison-hole
And no more coal ships through our reef

LEAVE FOSSIL FUELS IN THE GROUND

Tune- She'll be coming round the mountain
